ME

I am Steffy Johnson. Currently I am studying web development accelerated course in Coder Academy . Passionate about baking, creating art works, amateur photography and traveling. I have masters in Business Administration and have a diploma in Audio Engineering. My first job was working for a call center for WIPRO . Later I worked as an Audio Engineer for a reputed entertainment channel. I also have worked for Indian Railways as reservation officer. Along with my family , I moved to Melbourne few months back. I am looking forward to pursue my career as a web developer.

**My interests**

- Baking
- Photography
- Travel
